

Program Highlights:

Recycling Cooking Oil In The City Of Stanton Is FREE And EASY!

- To arrange a curbside delivery of a container, simply call CR&R
- Once filled, schedule a curbside pick-up on your normal collection day by calling CR&R
- A clean cooking oil container will be left in exchange for your continued use

Why Recycle Cooking Oil Grease?

Cooking grease poured into a kitchen drain will clog pipes in homes and city sewers.

Clogged sewer lines can cause sewage to be released into city waterways, harming the environment.

Recycling Fats, Oils And Grease Helps Keep Our Waterways And City Clean!

The City of Stanton, CR&R and the Orange County Sanitation District are proud to announce the formal kick-off of the

“Cease the Grease Program” *Cooking Oil Recycling Made Simple!*

Please join us for a press event and light reception on...

**Wednesday
July 24, 2013
10:30 A.M.**
